

T1766

**PURACLENSA** Waterless Hand Wash (Blue Perfumed)

## FEATURES

A blue, slightly viscous natural liquid skin cleanser designed to be used without water that leaves a pleasant scent.

Will remove ingrained dirt, grease, oil, and garden stains easily from the skin.

Safe ingredients make it suitable for use as a waterless hand cleaner and merely wiped off with a clean tissue or towel.

Kills 99.99% of known germs, bacteria, and enveloped viruses

## SPECIFICATIONS

CODE: T1766

COLOUR: Blue

Odour: Pleasant

BOTTLE SIZE: 285ml

Contains emollient to leave the skin soft and supple.

Contains alcohol and natural biocide.

Has a broad spectrum of activity against Gram-positive and Gram-negative bacteria, yeast, and fungi.

Lasting action between hand washes.

## STANDARDS

EN 1276

EN 1275

EN 14476

## APPLICATION

Effective and suitable for both drivers and factories where water is not available.

Can be used daily because of its mildness.

Dispense 4/5ml of liquid onto palm of hands and then massage over front and back of both hands, taking care to work well into webs and cuticle area.

Ensure both hands are fully treated. Use towel or tissue to wipe dry.

**NO WATER NEEDED.**

## WARNINGS

Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources.

No smoking, keep container tightly closed.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

**IF EYE IRRITATION PERSISTS:** Get medical advice/attention.

Dispose of contents to a hazardous or special waste collection point. Flammable liquid and vapour.

Causes serious eye irritation.
